GREENBOOTCAMPS

BI CONSULTANT - FOCUS ON DATA ANALYTICS, DATA SCIENCE OR DATA ENGINEERING

Your start in Business Intelligence - in 18 weeks

Technical understanding alone is often not enough in data-driven professions. Anyone working with data needs to be able to analyze, structure, and communicate results clearly.

In the BI Consultant Bootcamp, you build hands-on skills in data analysis, visualization, and modern BI tools, and prepare specifically for your entry into data-driven career fields.

The essentials at a glance:

- 100% online
- Full-time bootcamp (18 weeks)
- Funding via Bildungsgutschein possible
- hands-on and job-oriented
- no traditional IT degree required
- ideal for career changers
- incl. career coaching
- Laptop included

Who is this course suitable for?

- Career changers without an IT degree
- People with Bildungsgutschein
- People restarting their career
- IT-adjacent profiles without data experience

Career prospects

- BI Consultant
- Data Analyst
- Data Scientist
- Data Engineer
